

**Introducing**

**MOKU**

**(BOAT)**

**KAHAI**

**(NAME OF RENOWNED NAVIGATOR)**

The Moku Kaha`i is a double-hulled flat bottom boat that is inspired by the design of the Hōkūle`a (a replica of an ancient Polynesian double hulled voyaging canoe)

This boat will be utilized to enhance the Ocean Voyaging Tour (Huaka`i Holokai)...

The Moku Kaha`i will take guests from the Moli`i Mauka Boat Dock over Mōli`i Fishpond to Secret Island Makai Pier where guests will learn about ancient sailing traditions

Moku Kaha`i is named in honor of the renowned navigator Kaha`i who is said to have brought the first `ulu (breadfruit) tree to Hawai`i which he planted here in Hakipu`u
